Paper size, U.S. letter. Margins should be set for a 3.3-cm (1.3 in.) top and bottom and 4.11-cm (1.625 in.) left and right. The LaTeX style file will provide proper layout for TeX files. The title, author listing, and all section headers should be in Arial font. The rest of the text and body of the article should Times New Roman. The title should be concise but informative. Avoid beginning

You could ensure that the ruler on the screen is in actual size by measuring some "standard" object you have in your pocket like A4 paper, credit card, iPhone, banknote, etc. For example, you have 100 hundred dollar bill. You googling "100 dollar note size", finding that it is 2.61 inches wide and then measuring it with the ruler. If measured size is 2.61 then the ruler is correct.

Equipment: 15 rings of any color, paper numbered disks, one white Shooting Ring. Object of the Game: To score more points than your opponent by pocketing numbered rings in rotation, beginning with ring number 1. The Game: Number any 15 rings by inserting in them the numbered paper disks. Lineup the rings in a triangle. The first player shoots at the No. 1 ring …

The capitalization rules are explained in more detail in the next section, but essentially title case means to capitalize every word except articles (a, an, the), coordinating conjunctions (and, or, but, …) and (short) prepositions (in, on, for, up, …). This is trickier than it seems, because many words can be used in different grammatical functions.

As the paper emerges from the press, it is rolled onto large rolls and transferred to another part of the factory.
